Union Voters of Berks County ! Do your whole duty on Tuesday next! If necessary shut up your business for this one time and devote the entire day to your country. Examine your ticket, and see that it is all right. Now mind.

William, M., Hiester, 1 is the Union Candidate for Congress Everybody in Berks County knows who, and what he is. He is unconditionally for the Union, and against Se cession and Treason. He is a Statesman, and every Union Voter may well feel proud of such a Candidate. . He is an honest man, and he loves his country more than any party. His opponent is not a Union man, but, a double-

faced demogogue-overything and anything to get votes. Ho has usurp-ed the leadership of the democratic party, and rolles only upon the strength of his party for success. Vote for Hiester, and vote early in the day.

Major William Briner.

Union men of Montgomery and Lehigh! Georg Bullock is running as your candidate for Congress, not for the sake of getting office, but, to serve his getting office, but, to seri country. Should be be elected, and he can and will be if every man does his duty, you will have a right to be proud of your representative, and history will give you credit for having done a noble act.

Look out for Sockdelagers. Allegheny County is good for 8000 Union majori-ty, Lahenster for 7000, Philadelphin for 6000, Brid-ford for 4000, Chester for 3000 and Tioga for 200 more, making in all 31,000. Everywhere, in the great State of Pennsylvania, the friends of the Union are up and doing, whilst the opposition have no hope of success next Tuesday except in a few localities. Col. Taylor is one of the most eloquent men in the country, and he pleads for a people whose pat-riotism is unequalled in the annals of our history.
